

**Help! I am a REALTOR®,
not a Tech Guru!**

28 Free (Or Almost Free) Web Based Tools Manage and Market Your Business for Pennies

- Which are the best tools for marketing? For lead conversion?
- Is there a faster, better way to promote your listings or manage transactions?
- Which gizmos, gadgets and websites will really bring you clients?
- Whittle the choices to a manageable list of the best and most effective tools.
- Where to find the time to learn and implement these tools and toys?
